Subject: Conversation with Flannery, Erin

flannery.erin@epa.gov [10:32 AM]:

Hey Rose! Do you have the Climax Mine's NPDES permit in your G drive? For some reason it is proving difficult to find via our systems. and I know it was renewed in April 2013, but of course it's *just* old enough for CO to have already taken it off of the public notice section of their website
